Page 6 – Activity 5

- 1 d
- 2 c
- 3 b
- 4 f
- 5 a
- 6 e

Page 7 – Activity 6

- 1 Earth
- 2 It’s next to Venus.
- 3 It’s the only planet where we/people can live.
- 4 big
- 5 water and rock

Audio script

- A:** What is your homework about?
B: The planets
A: What are you writing about now?
B: Earth
A: Where is Earth?
B: It’s next to Venus.
A: What do you know about Earth?
B: It’s the only planet where we can live.
A: Oh, I see.
B: Do you want to know more about Earth?
A: Yes, please!
B: It has got a big moon.
A: Yes, we can see the moon every night.
B: Do you know what Earth is made of?
A: No, I don’t.
B: It’s made of water and rock.
A: Wow!

Page 8 – Activity 7

- 1 Mercury is **next to** the Sun.
- 2 Venus is **between** Mercury and the Earth.
- 3 The Earth's moon is **near** it.
- 4 Jupiter is **behind** the asteroid belt.
- 5 There is a ring **around** Saturn.
- 6 Neptune is **between** Uranus and Pluto.
- 7 The planets are **in** space.
- 8 People can only live **on** Earth.

- 1 a
- 2 a
- 3 a
- 4 b
- 5 b
- 6 b

Page 11 – Activity 10

- 1 Space is very big, **so** there are a lot of planets in it.
- 2 People have sent robots into space, **although** traveling there is very difficult.
- 3 The Sun is very hot, **so** it makes us warm.
- 4 One side of Mercury is really cold, **although** the planet is next to the Sun.
- 5 Venus is a very hot planet, **although** it has lots of clouds around it.
- 6 Earth has water on it, **so** it's the only planet with all the things people need.

Page 12 – Activity 11

- water
- ice
- food
- rocks
- light
- to be warm
- stars
- robots

Page 13 – Activity 12

- 1 c
- 2 a
- 3 b
- 4 c

Audio script

One

A: Which planet is this?

B: It's Saturn.

A: How do you know?

B: Because it's got really big rings around it.

Two

A: Which planet are you looking at?

B: Mercury.

A: Where is it?

B: It's the one near the Sun.

Three

B: What's that?

A: It's an asteroid belt?

B: What's that?

A: It's made of large and small pieces of rock.

Four

B: What's the weather like on Neptune?

A: It's really windy.

B: Is it really?
