

DO YOU KNOW?

ANIMALS AND THEIR BODIES

1

a Talk to a friend. Look at pages 4–5. Ask and answer the questions. The first one has been done for you.

a Has the fox got fur? *Yes* d Has the bird got wings?

b Has the monkey got a long tail? e Has the caiman got big teeth?

c Has the insect got a long tongue?

b Match two words. One has been done for you.

teeth	legs	nose	tongue	arms	wings
eats	fly	hold	jump	frighten	smells

2

a Look at pages 6–7. Read and write the correct word on the lines. The first one has been done for you.

animals

eyes

food

tail

same

wings

Are people and animals the **1** *same*? People need food and water. So do

2 People have ears, **3** and noses. So do animals. Some animals

have **4** and tails. People do not. The Arctic fox finds **5** with its

ears, eyes and nose. A tiger drinks water. A fish swims with its **6**

b Look at pages 8–11. Read the questions. Write one-word answers.

1 How many ears has a praying mantis got?

2 Where are the cricket's ears? On its

3 Where can the humpback whale see? the water

4 Which animal can see at night? An

DO YOU KNOW?

ANIMALS AND THEIR BODIES

c Look at pages 12–15. Put a tick (✓) or a cross (X) in the boxes. The first one has been done for you.

- | | | | |
|--|-------------------------------------|---|--------------------------|
| 1 Some animals find food with their tongues. | <input checked="" type="checkbox"/> | 4 A Komodo dragon sees with its tongue. | <input type="checkbox"/> |
| 2 A giraffe's tongue eats animals. | <input type="checkbox"/> | 5 A green turtle eats seagrass. | <input type="checkbox"/> |
| 3 An anteater eats insects with its long tongue. | <input type="checkbox"/> | 6 A cheetah eats flowers. | <input type="checkbox"/> |

3
