

# Flashcards

Actiphons is an energetic phonics series for children who are learning to read. As children learn their letters and sounds with the Actiphons characters, they will become active learners – and lifelong readers!

Use these flashcards to reinforce your child's understanding of the letters and sounds, as well as their reading of tricky words. Look for ideas of fun games and physical activities to play with the flashcards in the How to Use Actiphons Guide on our website or make up your own flashcard games.
