Reader's own answers

Model answers

In picture a, there is one person.
 There are no people in picture b.
 In picture a, it is a basking shark,
 but it is a hammerhead shark in picture b.
 In picture a, the shark is swimming.
 In picture b, the shark is catching a fish.

Page 50 – Activity 6

Page 51 – Activity 7

Basking sharks are very big, ¹but they don't eat other fish. Basking sharks eat very ²small animals called plankton. They catch them in their open mouths ³because they don't have big teeth. They ⁴need to eat lots of plankton.

Page 52 – Activity 8

- 1 Jack and Jess went swimming in the sea yesterday.
- 2 They saw a basking shark.
- 3 They didn't want to swim near the shark's mouth!

Audio script**One**

B: Do you like sharks?

A: Yes, I love them!

B: Which is your favourite shark?

A: The great white shark.

Two

A: What is that shark doing in the picture?

B: I think it's drinking water.

A: No, it's not drinking! It's eating.

B: Oh yes! It's eating lots of little plankton.

Three

A: Look at that shark!

B: It's got a long head!

A: Yes, it has. Do you know what it's called?

B: Is it a hammerhead shark?

A: Yes, because of its long head.

Four

B: What is this shark good at?

A: Swimming.

B: Yes, but it's better at catching food.

A: Wow!
