

First Stories

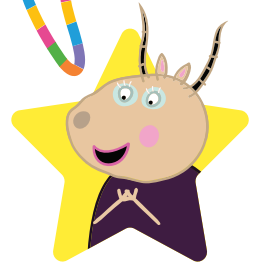

For this activity, you will need a pencil or pen to draw with and coloured pencils or pens to colour in your drawing. You could also use a separate piece of paper to write your story on.

Become a storyteller

Create your own exciting story!
Where will it be set? Who are the characters?

Once you've thought of your story, draw and colour in a book cover that shows what it's about in the space below.
Can you think of a title (name) for it?

If you like, you could ask a grown-up to help you write the story on a separate piece of paper and share it with your family and friends.
